

REMARKS

This is in response to the Office Action mailed October 19, 2004, requiring election of species. Examiner's requirement for election/restriction listed two species, Species I directed to Figure 1, and Species II directed to Figure 2. Applicants respectfully submit that Species I is more properly directed to Figures 1-2, and that Species II is likely directed to Figure 3.

Applicants hereby elect Species I, Figures 1-2, and claims 1-3 and 6-7 that are readable thereon, without traverse. Claims 1 and 6 are generic.

Further and favorable consideration of this application is respectfully solicited.

Respectfully submitted,

David G. Boutell
